Monjasa A/S

This company is among the 2.139 Danish companies identified as a gazelle 2009 company.

A gazelle is one of the fastest-growing companies in Denmark in 2009. It meets the following requirements:

- The company must have published its annual accounts for at least four years.
- The company's turnover must exceed DKK one million – or, if the turnover is not stated in the annual accounts, its gross profit must exceed DKK 0.5 million in each of the last four financial years.
- The growth in turnover/gross profit must be positive from one financial year to the next.
- Seen over the total period of time, the company's turnover/gross profit should be more than doubled.
- The sum of the primary operating result in the last four financial years must be positive.

The survey was made in August/September 2009 by Greens Analyse Institut in collaboration with dagbladet Børsen and Soliditet.
